Dear Parents and Friends,

This has been an amazing school year for many reasons. We are so very fortunate to have the support of our community, parents and business partners. We truly appreciate all those who stand at our side supporting our school.

We offer a huge thank you to the PTO Board. Current Board members include: Elizabeth Michalik, Penny Angelus, Alice Howard and Cassandra Peck. Previous board members include Sonia LaNeave and Angie McInnes.

PTO's financial contributions are considerable and their volunteer efforts un-measurable.

A huge shout out to our Community Partners. Thank you to Ancient City Baptist Church. This amazingly caring organization has come out in full force this year with volunteerism and donations. We have had 20+ volunteers from ACBC here on a weekly basis. They also collected and distributed 60+ pairs of shoes to our children, adopted 10 families at Christmas and provided us with undergarments for children who need them during the day. We also would like to thank Christ's Church of Jacksonville's, St. Johns community group for their generous gift of the staff lounge remodels and goodies during teacher appreciation week.

In addition to Community partners, we were so very fortunate this year to have wonderful Business Partners like, Beaver Toyota who provided the grant funding for Camp Champion, Fortegra Financial who provided turkeys at Thanksgiving and gave out many bicycles at Christmas and The Players Championship who gave gifts to our Head Start families at Christmas and food to our Webster families.

We have been truly touched by the outpouring of support and generosity we have received this year.

Thank you to our SAC members who have served on the School Advisory Council this year. Thank you to our SAC chairs, Amanda Devany and Kristen Villacci for their hard work and dedication.

We'd also like to acknowledge our Outstanding Volunteers of the Year. Senior volunteer, Dr. Dorothy Barrett for her work with "Strings Alive". Adult volunteer and St John's County Adult Volunteer of the Year, Mr. Corey Walker for his work in Camp Champion and anywhere else that he is needed. Our youth volunteer of the year, Rhiannon Spencer for her work with our primary classes and Cassandra Peck, our Volunteer coordinator. She has contributed many hours to assuring we have volunteers at Webster when needed.

Again, we wish to express our heartfelt thanks to all those who help us make a difference every day in the lives of our precious children. We hope everyone has a safe, relaxing summer and comes back next year recharged and ready to do it again!

Jump Rope for Heart

I would like to thank the Webster Wolverine's for being heart heroes by helping raise over \$2,200 for Jump Rope for Heart. This marks the second year in a row Webster was able to raise over \$2,000 to help fund research and care for children with heart conditions. To celebrate this feat Webster students participated in our JRFH event where they were able to jump and strengthen their heart, take a quiz about the heart as well as listen to their own heart beating. Special recognition was given to Scott Michalik by the American Heart Association (AHA) for raising the most money out of the entire school with a total of \$200!

The students listed below had the privilege of slining Coach Thomas, Coach Valdez, Mr. Martin, Mrs. Daniel, and Ms. Welch by contributing \$10 or more to the AHA. A "heartfelt" thank you to all who participated in Jump Rope for Heart!
