

# Webster's 1st Grade News

September 2016

**Reading:** We are currently working on individual student reading levels and sight word knowledge.

**Writing:** We are working on the rituals and routines required of "Being A Writer" in our classrooms.

**Math:** We are working on Word Problems involving addition and subtraction using numbers 1-10.

**Science:** We are investigating the Scientific Method and the tools used by Scientists.

**Social Studies:** We are learning about school and classroom rules. We are becoming good classroom citizens.
