

Webster's Pre-K News

September 2016

Reading: Our focus in pre-k is learning the alphabet in both upper and lower case letters, and their letter sounds. We work on one letter each week. We also work on recognizing their names in the environment.

Writing: Our writing in pre-k starts with tracing their names. Students are encouraged to write during our free choice centers, use writing materials properly, and work on fine motor skills to increase their hand strength.

Math: Math focus includes colors, shapes, numbers, counting, patterns, sorting and numerals. Goals are highlighted with our TS Gold assessments, and are developmentally and academically relevant to each student.

Science: Pre-K Free Choice Centers include a Discovery Center. In this center, students interact with environmental materials using magnifying glasses, magnets, weights and measures.

Social Studies: We began the year with a focus on pedestrian safety and following classroom and school rules. Pre-K is a very social environment, where students learn to share, take turns and get along with their peers. Students learn to follow the classroom management system particular to their class.

Calendar

September 20th is our Open House event, from 5-7 pm. Our Scholastic Book Fair will be held the entire week of September 19-24, including our Open House evenings (9/20 PK-2, 9/22 3-5).

September 29th, Chick-Fil-A Spirit Night, 5:30-7:30 p.m.

AVID

A.V.I.D. stands for Advancement Via Individual Determination. Our students have the ability to go as far as they choose to go academically, based on how much effort they put into their learning. Our focus this year is on using academic language and utilizing the Organizational Tool or O.T.

Reminders: Make sure your child always has a seasonally appropriate change of clothes available at school. Please have your child wear socks and closed toe shoes for safety. Thank you for sharing your child with us- it is truly a pleasure and an honor.

CUT DASHED LINE

Sign and return for your child to be entered in the monthly prize drawing.
