Dear Wolverine Families,

I want to thank you all for your support this school year. I will miss Webster very much. The past five years have been some of the most rewarding in my career.

The children and families at Webster are truly unique and special. I feel so fortunate to have been a part of this amazing school.

I also want to personally thank the staff of Webster. I have never lead a staff that is more committed to children. They truly care about each and every child who walks through our doors.

This year, we have three staff members retiring. Ms. Chancey, Ms. Shanahan and Ms. Cason have all been invaluable assets to our school. They have dedicated their careers to making a difference in the lives of children and will be greatly missed.

Also, thanks to the wonderful people who help us each and every day. Our numerous business and community partners who make our lives and the lives of our children so much fuller.
